

Volunteers' cars

In each car, there are:

- A **team folder** – in which you will find all the information including a zip lock in which you need to put the receipts
- A **first aid kit**
- 2 **shopping cards**: N1 card for fuel/gas tank, Olis card for fuel, Bonus Card for food shopping at Bónus grocery shop and Krónan card for food shopping at Krónan grocery shop
- A **phone charger**
- An **atlas**
- Some **screenwash**

In 4x4, you will also find a **fuel tank**, **bungees** and a **tow rope**.

NOTE THAT ALL THE CARS ARE RENTED

Please take extra care of them and for example: avoid as much as you can scratches, use big trash bags to put the oranges to avoid sand/mud/dust all over the tools and your personal items, avoid getting the seats wet...

AND

Once a week

- Clean the outside and inside of the car (at least when you change leader) – many N1 stations are equipped with cleaning stations (remember license plates should be visible)
- Check: the tyre pressure, the oil, the lights, the windscreen wipers, the screen washer – if any problem occurs, contact the coordinator 😊
